

# Keyshia Cole ft.Eve, Never

Keyshia Cole feat. Eve - Never

Never too much

Never too much

[Verse 1]

You telling me we're cool but that just ain't enough, cuz

Everything that you do makes me want you more

Feelings that I have for you

Can't be replaced easily

But you seem to think that you have the best of me

[B-section]

My love is closed for you

Let nobody enter

Even when I'm with someone

Ain't the same when I'm with ya

Please tell me

That you're listening

Please tell me

That you hearing me, cause

I'm gonna be here always

[Chorus]

Even if you gimme

All your love

Even if you gimme

All your kisses

It will be never

Never too much, Never too much (aw, yeah yeah)

Even if you gimme

All your love

Even if you gimme

All your kisses

It will be never

Never too much, Never too much, Never too much

Give me all your love

Never be too much

Give me all your love

Never be too much

(Even if you give me cause)

[Verse 2]

I know that baby, if it's meant we'll be, but

Everytime I see you boy

Oo what you do to me

Make my body shiver, lips

Quiver when I say your name

Loving you is like an emotional ride

Dare to stay

[B-section]

And my love is closed for you

Let nobody enter

Even when I'm with someone

Ain't the same when i'm with ya

Please tell me

That you're listening

Please tell me

That you hearing me, cause

I'm gonna be here always

[Chorus]

Even if you gimme

All your love

Even if you gimme

All your kisses

It will be never

Never too much, Never too much, Never too much

Even if you gimme

All your love

Even if you gimme  
All your kisses  
It will be never  
Never too much, Never too much  
Give me all your love  
Never be too much  
Give me all your love  
Never be too much  
Never too much, Never too much,  
{Eve}  
Don't give a fuck about the money  
And the bank you got  
Love you the same  
Even if the trinkets stop  
Got my heart in your hands  
And I think you know  
Can't put a price on our love  
And the way we grow  
I think I, melt inside everytime that you  
Baby all I see is you  
Fuck them niggaz who try, huh  
Don't ever worry bout my loyalty  
Tried the others and I'm cool  
Cuz you treat me like I'm royalty  
Been through the bullshit  
Been through the games  
Been through the telephone arguments with that nothing-ass James  
On them crazy days you helped me maintain  
Sometimes I think your love be keeping my sane  
Never worry daddy  
I ain't never going nowhere  
Whatever happens best believe I'ma stay right here, yeah  
I need your kisses  
And I need your touch  
Don't ever think I had it all  
Cuz it's never too much, come on  
Give me all your love  
Never be too much  
Give me all your love  
Never too much, Never too much, Never too much  
[Chorus]  
Even if you gimme  
All your love  
Even if you gimme  
All your kisses  
It will be never  
Even if you gimme  
All your love  
Even if you gimme  
All your kisses  
It will be never  
Never too much, Never too much  
[Repeat Chorus]
