

# Keyshia Cole, Give Me More

Verse 1:

Never thought you'd be the one to play games the way you did.  
I gave my heart away to you.  
Never thought you'd leave the way you did.  
You meant the world to me.  
How could you just let me breathe?  
Let me go away from you.  
Let me be alone.

Pre-Chorus:

And you never lied to me baby.  
You said you'd always be around.  
Now I need more.

Chorus:

(Give me more)  
Oh, what you do for me.  
Oh, what you do.  
(I want more)  
Oh, what you do for me.  
You knew what you do.  
(I need more)  
Oh, what you do for me.  
Oh, what you do.  
(Give me more)  
Give it to me everyday.  
I need you in every way.

Verse 2:

So don't stop the way you love me.  
I don't wanna look no more.  
Take me in your arms.  
Understand I'm all for you.  
Until the end of time, baby you'll be mine.  
Ohhhh....

Pre-Chorus:

And you never lied to me baby.  
You said you'd always be around.  
Now I need more.

Chorus:

(Give me more)  
Oh, what you do for me.  
Oh, what you do.

(I want more)

Oh, what you do for me.  
You knew what you do.  
(I need more)  
Oh, what you do for me.  
Oh, what you do.  
(Give me more)  
Give it to me everyday.  
I need you in every way.

Bridge:

When did you fall?  
When did it all just went away?  
When you said that we would never ever see the day.  
I don't wanna be without you and your love.  
I thought we'd always be together.  
Aye...

Pre-Chorus:

And you never lied to me baby.  
You said you'd always be around.  
Now I need more.

Chorus:

(Give me more)

Oh, what you do for me.

Oh, what you do.

(I want more)

Oh, what you do for me.

You knew what you do.

(I need more)

Oh, what you do for me.

Oh, what you do.

(Give me more)

Give it to me everyday.

I need you in every way.

La de da...

La de da da da...

La de da...

La de da da da...

Give it to me everyday.

I need you in every way.

Give it to me everyday.

I need you in every way.

Oh, what you do.
