Keyshia Cole, I've Changed My Mind

Keyshia You know who you are Yea you

Kayne Kanye West on the track by the way

Keyshia Yea... No, No

(Verse 1:)
There's this girl I know
so deep in love (in love)
Do almost anything
to make him see she's the one
but he doesn't feel a girl like her
He's so, so wrapped up
Cause the average girl
will give him anything he wants

(Pre-Chorus)
He's so caught up
He won't call her
He shows no love
So she decides

(Chorus)
I changed my mind
I don't love you
I don't love you more
Don't waste my time

(Verse 2:)
It's the funniest thing cause I know how I feel inside but you never felt the same as I (never, never, never, ohh)
I miss him so much I bet you don't even notice and he don't even realise Cause he...

(Pre-Chorus)
He's so caught up
He won't call her
He shows no love
So she decides

(Chorus)
I changed my mind
I don't love you
I don't love you more
Don't waste my time

(Bridge)
I'm so over you
got no more to give
I gave it all to you
and you couldn't handle it
and I don't care
if you come back to me on your knees
I just don't love you no more

(Chorus)
I changed my mind
I don't love you
I don't love you more
Don't waste my time

Kanye Stop

What you thinkin'
When you see me on the corner
and you see me hagin' out
Niggas on the block
don't care what it's all about

Kanye And stop

What you thinkin' when you see me comin through and you see me with a nigga on the corner til' 2

Repeat chorus til song fade
