

Keyshia Cole, Love I Thought U Had My Back

[Verse 1]

Every girls got to go through it and every man has to go through it its a thing called love.
Listen to me now Listen to me.

I still remember the day that you said you was a badboy.

Man I should have listened when you said you was a bad boy.

You took control of me I thought you would change for me.

Everything different now reminiscing ain't the same boy,

How I let you come and hurt me like this boy.

This boy, I am open now I want to get away but you are forcing me to stay.

[Chorus]

Love I thought you had my back this time but man I am wrong this time.

It's a thing called

(thought you had my back)

Love I thought you had my back this time, but man I am wrong this time,.

It's a thing called Love.

I loved you for your ways but your ways hurt me bad boy.

Hurt me so bad why you want to see me sad boy, I am tired of crying over you

but I miss you so much I don't know what to do seems that I gotta move on

live life with out cha, but every time someone comes around to talk about you

I get feelings inside again I wanna be right back by your side again.

[Chorus]

Ooh ooh ooh You got me ya, ooh You got me ooh ooh, You got me ya, oooh.

And I don't know what to do. I thought you had my back I am so wrong I am so wrong.

Ya its all good though sometimes in life you know situations

come your way you just gotta make good decisions man,

You know you gotta know your focus in life and if love is your focus then man pay attention.

You got me ya. I am so stuck right here.
