

Keyshia Cole, That's The Way I go

I frown because I want to
I cry because I need to
I hate because I have to
They won't do me any good
But my mind is never convinced with happiness
I want to turn the wheels
But my heart tells me
That's the way I should go
I should be sad
I need to get mad
For no reason
Misery is the road I should take
I want to be happy
But I don't like good things come to an end
If I had someone who cares for me
I may turn back
I want to turn the wheels
But my heart tells me
That's the way I should go
I should be sad
I need to get mad
For no reason
Happiness and I never work
So I better cry all night
And scream all day
That's my way
I want to turn the wheels
But my heart tells me
That's the way I should go
I should be sad
I need to get mad
For no reason
Misery
That's The Way I Go
