## Khalid & Kane Brown, Saturday Nights REMIX

Saturday nights
Newbury cigarillos
Swishers make my throat hurt
Rolling OCB's on the side for me
Light 'em up and let 'em both burn

family feuds, saying Mom's confused i;m for sure shre doesn't wanna learn my daddy's gone, say he's never home and wishin' only makes it worse

I guess there's certain dreams that you gotta keep cause they only know what you let them see

and all the things that I know that your parents don't they don't care like I do nowhere like I do and all the things that I know that your parents don't they don't care like I do nowhere like I do nowhere like I do nowhere like I do

Saturday nghts
you works shoes are stiletto
smell of chep perfume
makeup on youe face
try to hide te pain
all the lies they look
like the truth
deep in your heart
all you want is love
but you never felt good enough
you got wrapped up in other plans
but this ain't the way the story ends

I guess there's certain dreams that you gotta keep cause they only know what you let them see

and all the things that I know that your parents don't they don't care like I do nowhere like I do and all the things that I know that your parents don't they don't care like I do nowhere like I do nowhere like I do nowhere like I do

cause i care
i care about you
there's nowhere I 'd rather be
there rogt here, right now
cause i care
i care about you
there's nowhere I 'd rather be

and all the things that I know that your parents don't they don't care like I do nowhere like I do and all the things that I know that your parents don't they don't care like I do nowhere like I do nowhere like I do nowhere like I do
