

Khanate, Dead

i was...
not worth knowing
visible awful but not seen
alone always forever - beauty opposite
transparent hear me - listen - right here

i was...
kept walking awful unnoticed
beauty opposite - alone
island stay off
wait... someone

sink alone not seen
it was time - end
it was time - end

i was...
visible awful but not seen
alone always forever - beauty opposite
transparent see me - right here

i was...
kept walking awful unnoticed
beauty opposite deserted - alone
island stay off
wait... someone wait

sink alone not seen
it was time - end
it was time - end

could have stopped it

Dead.
