

Khia, My Neck, My Back (Clean Version)

All you ladies pop that thing like this,
Shake ya body don't stop don't quit.
All you ladies pop that thing like this,
Shake ya body don't stop don't quit.

Just do it, do it, do it do it,
do it now, do it good,
lick this ahhh just like you should.
Right now, lick it good,
lick this ahhh just like you should.

My neck, my back, my ahhh just like that.
My neck, my back, my ahhh just like that.
My neck, my back, my ahhh just like that.
My neck, my back, my ahhh just like that.
My neck, my back, my ahhh just like that.

First you gotta put your neck into it,
Don't stop, just do it, do it,
Then you roll your tongue from the back up to the front,
Then ya get it up, keep me up on ya,
make sure I keep my eyes on ya,
all over the club and stuff,
real clear, show me so much love.
The best love comes so slow 'n' long
knows how to stay down on ya,
All night till the crack of dawn,
Real good, keep it coming strong.
Through the night makin so much love
Den sleep when the sun comes up

So lick it now, lick it good,
lick this ahhh just like you should.
Right now, lick it good,
lick this ahhh just like you should.
My neck, my back, my ahhh just like that.
My neck, my back, my ahhh just like that.

You might roll dubs
You might have G's
But so what playa, get on your knees.
A girl like me moans and screams,
Thug miss's know what I mean.
At the club so fresh so clean,
A girl slingin' fella's watching me
Standin' out in the light so clean,
with a unit on my face so mean.
I gotta pick which fella I need
To take me out, spend his money on me.
You try me I'll make you see
No other girls got nuttin on me

So lick it now, lick it good,
lick this ahhh just like you should.
Right now, lick it good,
lick this ahhh just like you should.
My neck, my back, my ahhh just like that.
My neck, my back, my ahhh just like that.

So lick it now, lick it good,
lick this ahhh just like you should.
Right now, lick it good,
lick this ahhh just like you should.
My neck, my back, my ahhh just like that.

My neck, my back, my ahhh just like that.

(Till fades Out)
My neck my back

(Till fades out)
Then you roll ya tongue from the back up to the front
Then ya get it up, keep me up on ya,
make sure I keep my eyes on ya,
