

# Kid Rock, Cadillac Pussy

I seen a fly slimmy on the avenue  
When I was on tour in Baton Rouge  
A mean little missy with an attitude  
I played it smooth, no need to be rude

I stopped the ship, stepped off like Chewie  
Ran some game like Louie Louie  
Talked her on the bus, talked her out of her shorts  
No lie y'all, I'm here to report

She had some Cadillac pussy  
Some Cadillac pussy  
She had some Cadillac pussy  
She had some Cadillac pussy  
Man it would drive you wild
