

Kid Rock, Cadillac Pussy

I seen a fly slimmy on the avenue
When I was on tour in Baton Rouge
A mean little missy with an attitude
I played it smooth, no need to be rude

I stopped the ship, stepped off like Chewie
Ran some game like Louie Louie
Talked her on the bus, talked her out of her shorts
No lie y'all, I'm here to report

She had some Cadillac pussy
Some Cadillac pussy
She had some Cadillac pussy
She had some Cadillac pussy
Man it would drive you wild
