

Kid Rock, Only God Knows Why

I've been sittin' here
Tryin' to find myself
I get behind myself
I need to rewind myself
Lookin' for the payback
Listen for the playback
They say that every man bleeds just like me
And I feel like number 1
Yet I'm last in line
I watch my youngest son
And it helps to pass the time
I take too many pills it helps to ease the pain
I made a couple dollar bills still I feel the same
Everybody knows my name
They say it way out loud
A lot of folks love with me
It's hard to hang out in crowds
I guess that's the price you pay
To be some big shot like I am
Outstretched hands and one night stands
Still I can't find love
And when your walls come tumbling down
I will always be around

And when your walls come tumbling down
I will always be around

People don't know about the things I say and do
They don't understand 'bout the things that I've been through
It's been so long since I've been home
I've been gone....I've been gone for way too long
Maybe I forgot all the things I miss
Oh somehow I know there's more to life than this
I said it too many times
And I still stand firm
You get what you put in
And people get what they deserve
Still I ain't seen mine
No I ain't seen mine
I've been giving just ain't been gettin'
I've been walking that there line
So I think I'll keep on walking
With my head held high
I'll keep moving on and only God knows why
Only God.....only God
Only God knows why
Only God....knows....why why why only God knows why
Take me to the river
Hey won't you take me to the river...hey hey hey.
