

It ain't nothing but a party hey  
From the early evening till the break of day  
So step this way and let your mind be free  
And by the way welcome to the party

It ain't nothing but a party hey  
From the early evening to the break of day  
So step this way and let your mind be free  
And by the way welcome to the party

I'm a real live show and you can watch me throw

I'm the m to the I and I'll let ya know  
Alize is too sweet and it'll make ya fat  
I've got a pound of dank and a gallon of cognac  
I'm all of that and a bag of chips  
I'm the whole damn party mix  
I'm the chick that doesn't seem all that classy

You can't party with me but you can kiss my ass

It ain't nothing but a party hey  
From the early evening to the break of day  
So step this way and let your mind be free  
And by the way welcome to the party

Hey grandmaster bob that old school shit's fresh  
But uh let's rock some of that f\*\*kin' 1998 kid rock shit bro

I'm an irish lad, but don't call me clancy  
I'm gonna rock it for dixie to suit your fancy  
Rock your pants off and party my dick off  
People want to know when's the tour gonna kick off  
I'm no rip off, it's all original  
Not too political a little cynical  
About the fakes and squakers that talk a lot of ca-ca  
I know a lot of chicks that like to call me poppa  
Don't start drama, mack in the bahamas  
Rock on the dance floor to din dada  
Cause I'm a player that you love to hate  
Got your girl suckin' dick on video tape  
I like pussy, suckin' on titties  
F\*\*ked a lot of different bitches from a bunch of different cities  
Kid rock and I'm the same old fool  
I'll tell ya to drop your boyfriend then drop outta high school  
I got a whirlpool, don't even ask  
Lickin' pussy underwater shootin' bubbles up your ass  
I'm so crass that I'm the last of my kind  
Me, slick willie in the dc shrine  
Sometimes I rhyme just for kicks  
Forget the bullshit and bust like this  
I don't steal from the rich and give to the poor  
I take from my bitches from and give it to my whores  
What up I'm saying everybody  
You get f\*\*ked up and I'll rock the party

Rock the party  
Rock the party  
Rock the party  
Rock the party  
Rock the party  
Rock the party  
Rock the party  
Rock the party  
Rock the party  
Rock the party

Dude you're outta your f\*\*king mind, ah-heh
