

Kid Safari, Caroline Cool

Well, she enters your dreams
without a trick or a scheme
Like a moonbeam caresses the stream

She makes you feel like a kid
On his first day at school
She makes you feel like a blunderin' fool

Chorus:
Caroline cool (3x)
She may look like a saint, but she's breaking every rule

You feel defenseless and weak
When she says: you're unique
Instead of lightness she gives you fatigue

She invites you and then she walks back
And when you wanna leave, she closes in

Chorus
