

# Kidervater feat. Nadja, Everytime you need me

Everytime you need me  
You know I'll be there  
You know I really care  
Say you will  
Say you dare  
And when a feeling comes around  
Let it sparkle and let it shine  
Let it lift you off the ground  
Make it last, baby make it mine  
You are the sun that rises  
You are the moon that lights the night  
You are what paralyses me  
Everytime you need me  
You know I will be there  
You know I really care  
Say you will  
Say you dare  
Everytime you need me  
You know I will be there  
A love beyond compare  
Say you will  
Say you care  
Write my name into the sky  
And keep the memories in your heart  
Let the hours pass us by  
I guess that this is a way to start  
You are full of surprises  
You are a fire burning bright  
You are what mesmerises me  
Everytime you need me  
You know I will be there  
You know I really care  
Say you will  
Say you dare  
Everytime you need me  
You know I will be there  
A love beyond compare  
Say you will  
Say you care  
Say you dare...  
Say you dare....  
Say you dare.....  
No no, no no  
Everytime you need me  
You know I will be there  
You know I really care  
Say you will  
Say you dare  
Everytime you need me  
You know I will be there  
A love beyond compare  
Say you will  
Say you care
