

Kierra Kiki Sheard, Why Me?

[Intro:]

Oh ooo whoo whoo yeah yeah

[Verse 1:]

Now why (why) ain't it enough that you died (diedd?)

Hung on the cross just to save a soul

And that; s just-so-amazing so

I gotta serve you like it's the last time

And I gotta get it right

Cause you gave my

Life a new meaning why?

I really can't figure it out

Why somebody like me

Is who you'd worry about

[Chorus:]

That's why I look on the deeper side of me

Is it worth it all just for me?

Yes, if you say so

I just wanna show you that I'm grateful

I was thinking

How did you ever come to

Love somebody like you love me, love me?

Keep somebody like you kept me, kept me?

Ohh

I was thinking

How did you ever come to

Love somebody like you love me, love me?

Keep somebody like you kept, kept me?

[Verse 2:]

I've done wrong and I think you've moved on

You reach out your hand and say I am here

I never left you I brought you here

So what makes it fard to see that I love you

You gave your own life for me

Yes that's true

Regardless of everything I'm with you

When you're in doubt

But I know that you know I'm the one that brought you out

[Chorus:]

That's why

I look on the deeper side of me

Was it worht it just for me?

Yes, if you say so

I just wanna show you that I 'm greatful

I was thinking

How did you ever come to

Love somebody like you love me, love me?

Keep somebody like you kept me kept me?

How you stretched out and took the pain just for me

How did you do this?

How did you be my friend in the midnight hour?

Oh yeah yeah

You loved me in a special way

You loved me in a great way

Oh lord

You've been so good to me

You've been my healer

You've been my deliverer

You've been my provider

Uncle fredie, kiki

Oh lord I love you
