

Kik Tracee, Don't Need Rules

Music: Rob Grad, Mike Marquis, Dana Strum, Stephen Shareaux, Scott Donnell)

There's something going on here deep inside of me

Some kind of sucker who can walk on water

In the sea of tranquility

I'm getting free

(CHORUS)

I don't need rules, and neither do you

I don't need rules, no

Your honor I move to make a motion, motion

I'll be the judge of wrong or right

I'm ready to fight

(CHORUS)

I don't care if you don't like my hair, that's right

Get a job

I don't need no rules, just a license to drive my life

Yeah--rock n' roll

No rules
