

# Kiley Dean, I Know

talking: Lord i take this time out for You  
i take evertime out for You  
i know, i know, You know, i love You  
and i thank You for all the blessings that you've given me  
thank You, Lord  
thank You

early sunday morning service  
it's only You that i worship  
for You i clap my hands and stomp my feet (i will, i will)  
a lot of folks don't understand  
why i give my testimony hand  
it's because You are so good to me  
and i know

i know, i know, i know  
i know, You know, i love You (repeat)

i can't see You but i know You're there  
there's no one who can compare  
You watch over me and supply all my needs (thank u Lord)  
Lord when i slip and i fall  
i get on my knees and it's You i call  
You don't have no problem ever forgiving me  
don't want to take advantage of you Lord

i know, i know, i know  
i know, You know, i love You (repeat)

i know, You know, i love You  
i'm on my knees every night, everyday  
in and out the studio  
drivin home in my car, on the plane, in my home i love You  
how can i show you how much i appreciate you  
you've given me life  
you've given me the chance, to show the world your love

i know, i know, i know  
i know, you know, i love You (repeat) x2
