

Kill Hannah, A New Medicine

a new medicine
electrical oh oh
a new medicine
big shock yeah

sick boy
walks in a void ask anyone
sick boy
said I just want to live
gotta get my head all fixed

a new medicine
electrical oh oh
a new medicine
big shock yeah
a new medicine
shaking on your floor
I just decided
I just decided (I want to)

sick boy
said it's all the rage
tell everyone
sick boy
has big sick dreams
to find a real sick girl

a new medicine
electrical oh oh
a new medicine
big shock yeah
a new medicine
shaking on your floor
I just decided
I just decided (I want to)

anything
I'll try anything twice

a new medicine
electrical oh oh
a new medicine
big shock yeah
a new medicine
shaking on your floor
I just decided
I just decided (I want to)
