

# Killah Priest, Wisdom

[Chorus: Killah Priest]

Love of my life, Wisdom  
You are the love, of my life  
You are the love in my life, my life  
You are the love in my life, in my life  
You are the love in my life, my life

[Killah Priest]

With God control, I take a photo of the globe  
Like the space probe, let the tape roll and boom  
My ways of life shine purple rays of light  
Ways that are right take long days and night  
Then I enter where there's no interfere  
No sense of care, tense at the prayer  
Then we exalt like seaters of Lebanese  
Drop with heaviness, must be Heaven sent  
Left with evidence, ever since you left  
Seven prints and the pleasant scent of sweet smells  
Exhale, I'm as deep as a well  
Watch Priest prevail by fear, love  
Lifts all through the air like a dove above the star circuits  
Where Allah is perfect  
And lies like an olive tree, woman follow me  
Through the galaxy, just acknowledge me  
We'll walk the cavalry across the Sea of Galilee  
I give you rubies for your beauty  
You look fine as jewellery  
I chose the finest your highness  
I chose the finest your highness

[Break over chorus: Killah Priest]

You see my instructions are not silver  
In knowledge forever then choice gold  
For wisdom is better than rubies  
And all the things that may be desired  
are not to be compared to it  
Our wisdom will dwell with pubics

[Killah Priest]

You're my one and only, during our holy matrimony  
Attract my homies, subtract the phoneys  
What it manifold, make a man explode  
Love episode, give me rest when I'm old  
So clear and under vow, plus running wild  
Caught you as a child, brought you under clouds  
Never earthquakes when I'm home from work late  
Never forget your birthday, I love you  
Damn, your understanding have me hunger like a famine  
Prepare for landing  
Aborting the River Jordan like a RZA recording  
4th Disciple bring forth the cycle  
Or a tidal wave, it's like a B.I.B.L.E. page
