## Killing The Dream, If It Rains

| Tonight, one | e night can | last forever, | tonight one | night can | last for years | s. And damn, | maybe they're a |
|--------------|-------------|---------------|-------------|-----------|----------------|--------------|-----------------|
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
|              |             |               |             |           |                |              |                 |
