

# Killswitch Engage, A Bid Farewell

I will bid farewell, sever the ties  
This is all I am, this is all that's left  
Turn from deceit, the love of self is death  
Deliverance is given to you

I will bid farewell,  
Sever the ties

Now your heart beats black with deception, you have been forsaken  
Leave behind (I will) all reminders of you

I will bid farewell  
To all lies  
I will bid farewell  
Sever the ties

Searching, always searching  
Hoping for a change  
I will never be satisfied  
I will now bid farewell

I will bid farewell  
To all lies  
I will bid farewell  
Sever the ties
