

# Killswitch Engage, Eye Of The Storm

As time goes by  
Nothing has changed  
I wont stand and watch  
You wither away

After all this time  
I stand by you  
Through all of the years  
I've been with you

Through pain and affliction  
With every addiction  
I will never let you down

I will live by this code!  
Never surrender  
You and I are one

Through the eye  
Of the storm  
You are never alone  
Even through, the shadows  
You are never alone

After all this time  
Still you struggle  
Even words of love  
Ring so hollow

I have no regrets  
I have no remorse  
And if you falter  
I wont let you down

Through the eye  
Of the storm  
you are never alone  
Even through, the shadows  
You are never alone

Come on

Together we stand  
Never fall  
No matter the trial  
We will overcome  
Together we stand  
Never fall  
No matter the Trial  
We will overcome

Through the eye  
Of the storm  
You are never alone  
Even through, the shadows  
You are never alone

Never  
Together we stand  
Never fall  
No matter the trial  
We will overcome  
We will overcome
