

Killswitch Engage, The Element Of One

Torn disbelieving separation
I close my eyes to see you
This is for you, everything I am
This is for you, take it from me
Torn disbelieving separation
I close my eyes
But there is no escaping this
In your arms in your soul
I will be rejuvenation
Breathe me in
I am forever
Deep within I am eternal
I will return to you
I am with you always
I will never turn away from you
