

# Killswitch Engage, World Ablaze

Can you feel it?  
The expectancy of our deepest desires  
In one moment, in one second  
Watch it all burn

You and I will stand as one  
You and I will be transformed  
This is the promise, this is the gift  
We hold this truth

Shed the weight of the world  
The burden has been lifted  
Let it all fall

Set this world ablaze  
We alone remain  
Don't fear what awaits  
We alone remain

You and I will stand as one  
You and I will be transformed

Shed the weight of the world  
The burden has been lifted  
Let it all fall  
Let it all fall

Set this world ablaze  
We alone remain  
Don't fear what awaits  
We alone remain

Let the skies turn black, let the infection burn  
This is the new beginning, embrace eternity

Let it all fall  
Set this world ablaze
