

Kim Carnes, Blinded By Love

(Kim Carnes/Dave Ellingson)

Blinded by love
We're slaves to the heart
Blinded by love by the flame in the dark
Blinded by how good it feels to be blinded by love

We're fallin' apart
And we never saw it coming
I guess we ignored every sign
Blinded by love
We both closed our eyes
And as we were drowning
We were both smiling

We're blinded by love
We're slaves to the heart
Blinded by love by the flame in the dark
Blinded by how good it feels
To be blinded by love

What becomes of two people
Who don't see things the same way
But don't wanna hurt an old friend
Careful with words that might show our hand
Guess we're blinded by love till the end

Blinded by love
We're slaves to the heart
Blinded by love by the flame in the dark
Blinded by how good it feels to be blinded by love
