

Kim Carnes, If You Don't Want My Love

(John Prine/Phil Spector)

If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it too

If you don't want my love
If you don't want my love
If you don't want my love
If you don't want my love anymore

If you don't want my love
If you don't want my love
If you don't want my love
I know I know who will

If you don't want my love
If you don't want my love
If you don't want my love anymore

If that's the way
That the world goes around
Then that's the way
That it all comes down
When you want me
Then I would be around

If you don't want my love
If you don't want my love
If you don't want my love
I know who I'll give it too

If you don't want my love
If you don't want my love
If you don't want my love anymore
