

# Kim Jackson, Could It Be That I'm In Love ( Eurovision 1991 )

I don't know why I want you  
The way that I want you  
And I don't know why I miss you  
The way that I miss you  
But when I'm in your arms  
It makes me feel so good  
And I don't know the reason why  
I don't know the reason why  
And I don't understand  
Why I feel the way I do  
And I don't understand  
What I feel when I'm with you  
And anyway now, it's no use worrying  
Until I find out what it is  
Could it be that when I'm with you  
My fears all go away?  
Could it be that when I'm with you  
It's like the start of a brand new day?  
Or is it just that when I hold you  
I can't hold you enough?  
Or could it be that I'm in love?  
Somebody once told me:  
"You've gotta trust your heart"  
(Gotta trust your heart)  
And this I have tried to do  
Right from the very start  
And when I'm close to you  
It makes me feel so good  
And I don't know the reason why  
Could it be that when I'm with you  
My fears all go away?  
Could it be that when I'm with you  
It's like the start of a brand new day?  
Or is it just that when I hold you  
I can't hold you enough?  
Or could it be that I'm in love?  
Could it be that I'm in love?  
Could it be that I'm in love?
