

Kim Mitchell, Karaoke Queen

I'm gonna turn on my dancin' eyes bright
Gonna ask her to dance square round or in tight
Gonna do the heavy chauvy droolin' man thing

I'm a master of attention
I go to any length and dimension
I got needs that bleed and a love that screams
Oooh I'm pinchin' dreams

So I asked her to dance I was lookin' for new heights
She said no BoBo, not on karaoke night

Gotta find a new way to her heart
Gonna get her to hug me full or soft touch
Gonna do the please please give me anything

I'm a master of expression
And I want to sing with you
I got needs that bleed and a love that screams
Oooh I'm pinchin' dreams

So I asked for a sign and she said go fly a kite She said no BoBo it's only
