

# Kim Mitchell, Lemon Wedge

what's your name tonight  
name the game draw the lines  
make the attitude  
gimme the view i'd like to have of you  
love and capture love and rapture  
keep up to me when i'm lovin' you  
don't leave me waiting for tomorrow  
for i am worried i am i am mortal  
you can be my lemon wedge and  
i'll be your tequila  
i just wanna have a dance and  
i just wanna feel ya  
you can be my lemon wedge and  
i'll be your tequila  
i just wanna have a dance and  
i just wanna feel ya  
i just wanna feel ya  
who had you last nite who had me  
don't cry for what we are or what we could be  
love draw my lines draw my fantasy  
don't leave me waiting for tomorrow  
for i am worried i am i am mortal  
you can be my lemon wedge and  
i'll be your tequila  
i just wanna have a dance and  
i just wanna feel ya  
you can be my lemon wedge and  
i'll be your tequila  
i just wanna have a dance and  
cause i just wanna feel ya  
make some memories in my mind  
put the move in my muscle  
make some miracles in my eyes  
i just wanna have a dance
