## Kim Mitchell, Rocklandwonderland

Close companions with no deep meaning Here's an open suggestion Are you all in for some dreaming? Close companions in the concert bowl We open our hearts, we let out the soul And every mind contains another Earth to earth, brother to brother Listen to the music, listen to the voices Listen to my guitar

What is this?
This is a rock song
You and I
We can rock 'n' roll
Where are we?
We are in Rocklandwonderland
We are in Rocklandwonderland
We are in Rocklandwonderland

This is where we, where we sing This is where we bob and weave And every mind contains another Earth to earth, brother to brother Listen to the music, listen to the voices Listen to my guitar

What is this?
This is a rock song
You and I
We can rock 'n' roll
Where are we?
We are in Rocklandwonderland
We are in Rocklandwonderland
We are in Rocklandwonderland

This is fine recreation Instant gratification Where are we?

What is this? This is a rock song You and I We can rock 'n' roll Where are we? We are in Rocklandwonderland What is this? This is a rock song You and I We can rock 'n' roll Where are we? We are in Rocklandwonderland We are in Rocklandwonderland We are in Rocklandwonderland We are in Rocklandwonderland We are in Rocklandwonderland

We are in Rocklandwonderland We are in Rocklandwonderland We are in Rocklandwonderland
