

Kim Petras, All She Wants (feat. Paris Hilton)

All she want is Gucci and Chanel
All she want is everything they sell
All she want is sushi in hotels
She don't want your love all she ever want is more more

All she want is Prada and Dior
Flights to Paris flights out to New York
All she want is not to be ignored
She don't want your love all she ever want is more more
All she want is

Skin tight dresses, late night guest list
Molly, Teslas, diamond necklace
Tiffany, Cartier, Goyard, Gaultier
Off the runway, Omakase

She, she's a work of art
She, she'll tear you apart
Don't, don't care who you are

All she want is Gucci and Chanel
All she want everything they sell
All she want is sushi and hotels
She don't want your love all she ever want is more more

All she want is Prada and Dior
Flights to Paris flights out to New York
All she want is not to be ignored
She don't want your love all she ever want is more more
All she want is

All she want is
All she want is

She always dosin', she ain't got no emotion,
She cried her oceans, ah yeah yeah yeah
Heart never open, she addicted to ghosting,
Still she keep posting ah yeah yeah yeah

She, she's a work of art
She, she'll tear you apart
Don't, don't care who you are

All she want is Gucci and Chanel
All she want everything they sell
All she want is sushi and hotels
She don't want your love all she ever want is more more

All she want is Prada and Dior
Flights to Paris flights out to New York
All she want is not to be ignored
She don't want your love all she ever want is more more
All she want is

All she want is
All she want is
All she want is
All she want is
