

# Kim Petras, Confession

Baby I got a confession  
Yeah you're my only obsession  
Gotta make you my possession  
Once I get you I'll never let you go

I think you know my intention  
Don't need the cars or the mansions  
Gotta make you my possession  
Once I get you I'll never let you go

I got so many diamonds and rings  
I don't need more material things  
But lately you've been all in my dreams  
Yeah and I've got to have you, I've got to have you

I've been to Paris and Tokyo  
Tried everything my minds never blown  
But late at night when I'm all alone yeah  
I've got to have you

Baby I got a confession  
Yeah you're my only obsession  
Gotta make you my possession  
Once I get you I'll never let you go

I think you know my intention  
Don't need the cars or the mansions  
Gotta make you my possession  
Once I get you I'll never let you go

If you were mine I'd buy you the world  
You'd never think of no other girl  
And if you want it just say the word  
Cause I got to have you, I got to have you

I'll take you to the moon and the sun yeah  
One taste of me and you'll be done done done done  
My love will make you shoot like a gun  
Cause I got to have you

Baby I got a confession  
Yeah you're my only obsession  
Gotta make you my possession  
Once I get you I'll never let you go

I think you know my intention  
Don't need the cars or the mansions  
Gotta make you my possession  
Once I get you I'll never let you go
