

Kim Putnoky, Time Is Passing Me Bye

I was watching time
pass me by
and to my surprise
i could not fly
everything that i worked hard for is gone
no matter how hard i try
things just won't be the same

(chorus)

I don't know what to do anymore
everythings passing me bye
and I don't know what to do anymore
could you give me clue
ohh
could you give me a clue
time is passing me bye

In the morning i wake up
and i'm still the same
no matter how hard i try
nothings ever gonna give
so i get dressed and head downtown
maybe something gonna come my way

chorus

What can i do
to get people notice
that i am what it takes
to be todays
star

chorus x2

Time is passing me bye
Time is passing me bye
Time is passing me bye
ohh Time is passing me bye
