

# Kim Richey, Every River

Once upon a time  
Somewhere in your past  
Someone said "Forever,"  
But the promise didn't last  
Now you don't believe  
Love is ever true  
You steel yourself against the day  
When I stop loving you  
When the day comes that I don't love you  
Every star will fall out of the sky  
And every mountain will tumble down  
And every river run dry  
For every drop of rain  
That ever touched the ground  
For every tear that ever fell  
And never made a sound  
I'll be there to hear you call  
And I'll be there to catch you, baby  
Should you ever fall  
[Repeat Chorus]
