

Kim Richey, If You Don't Mind

There's no way to please you
Baby I know
Let's call it a day
There's nothing I can say or do to
Make it up to you anyway

Chorus:

Honey, if you don't mind
Put it off 'til tomorrow
Honey, if you don't mind
Let it lie for today
Honey, if you don't mind 'cause
It only brings sorrow and
We know where that's going
'Cause it's always the same
If you don't mind

Let's go see a movie
Baby we could
Hold hands in the dark
Maybe for a little while
We could both forget who we are

(Chorus)

I know there's no way of getting around it
Put it behind us or wish it away
I ain't got the strength left to fight it
The space left to hide it
I don't want to feel it today

(Chorus)
