

# Kim Richey, The Absence of Your Company

If you can say that you don't love me  
If you can look me in the eye  
and say that you don't love me  
I could say goodbye  
If you can tell me you won't miss me  
And sound convincing when you say  
You won't miss me  
I could walk away.

Cause i don't have a point to prove  
Or a stand to make  
I'm just trying to find my way  
And a face to wear  
And a place to be  
In the absence of your company.

If you're better off without me  
If you truly do believe  
that you are better off without me  
That's how you should be.

Cause I don't have a point to prove  
Or a stand to make  
I'm just trying to  
Find my way  
And a face to wear  
And a place to be  
In the absence of your company.

And I will write you off  
Easy as that  
If only it was  
Easy as that...
