

Kimberley Locke, 8th World Wonder

Woke up early this morning,
made my coffee like I always do.
Then it hit me from nowhere;
every thing I feel about me and you.
The way you kiss me crazy,
baby you're so amazing.

(chorus)
Seven days and seven nights of thunder;
the water's rising and I'm slipping under.
I think I fell in love with the Eighth World Wonder.
Yeah, yeah, yeah.

I guess that I'm just falling
deeper into something I've never known.
Yeah.
But the way that I'm feeling
makes me realize that it can't be wrong.
Your love's like a summer rain.
Washing my doubts away-aay.

(chorus)

(bridge)
It's only been a week,
but it's coming over me, yeah.
It's making me believe that
You're the one for me.
Yeah, yeah, uh-huh, yeah

(chorus 3x)
