Kimberley Locke, 8th World Wonder

Woke up early this morning, made my coffee like I always do. Then it hit me from nowhere; every thing I feel about me and you. The way you kiss me crazy, baby you're so amazing.

(chorus)

Seven days and seven nights of thunder; the water's rising and I'm slipping under. I think I fell in love with the Eighth World Wonder. Yeah, yeah, yeah.

I guess that I'm just falling deeper into something I've never known. Yeah. But the way that I'm feeling makes me realize that it can't be wrong. Your love's like a summer rain. Washing my doubts away-aay.

(chorus)

(bridge)
It's only been a week,
but it's coming over me, yeah.
It's making me believe that
You're the one for me.
Yeah, yeah, uh-huh, yeah

(chorus 3x)
