

Kimberley Locke, Change

Sorry for what I forgot to say
But you know how words get in the way baby, lately
Wasn't strong enough to cut right through
All the red tape between me and you, baby
Time escapes me

What's it gonna take to shake these blues
Pushin' through the clouds just to get to you
Can't hold back the storm that's blowin' through, yeah

(Chorus)

I feel a change, babe
Washin' over me
I feel the rains, babe
Comin' to set me free
It's a one way track

Ain't comin' back
This train's about to leave
I feel a change comin' over me

Never noticed that it's kinda strange
Same story but a different day lately, baby
Gotta get up gotta change the scene
Gotta rip this page from the magazine

(Chorus)

I ain't tryin' to be difficult no, no
I ain't tryin' to be mean
I just gotta do right now
What's best for me, yeah

(Chorus)
