King Diamond, Dressed In White

[music & amp; lyrics: King Diamond]

[Theme: Mike]

She's Wearing White Again But Colours Always Betray Don't Look Into Her Eyes, There's An Evil Darkness Inside

[Theme: Mike]

You Might See Her But She Is Not Here Leave Her Alone Don't Get To Near One Touch And You'll Disappear What A Scream You'll Never Hear

She Carries A Secret
And Where She Must Go...You'll Never Know
[Solo: Mike]
She Carries A Secret
And Where She Must Go...You'll Never Know
[Solo: Andy - Theme: Mike]
Searching But Not For A Home
A Restless Soul All On Its Own
Always Dressed In White
As She Passes On Through The Night

She Carries A Secret
And Where She Must Go...You'll Never Know
[Solo: Mike - Andy - Mike - Andy - Mike]
She Carries A Secret
And Where She Must Go...You'll Never Know
