

# King Diamond, Halloween

Oh It's Halloween  
Every Night To Me Is Halloween  
Like An Ancient Scene  
You Know Just What I Mean

Halloween You Are My Pride  
Halloween Not Just A Dream

The Moon Is Full, Another Perfect Day Has Begun  
Like A Demon's Eye, That Devil's Eye  
Will We Ever Die

[Solo: Mike]

Halloween You Are My Pride  
Halloween Not Just A Dream

[Solo: Andy]

Every Night Will Be Another Evil Scene  
Like In Horror Dreams I Want  
I Command You To Scream

Halloween You Are My Pride  
Halloween Not Just A Dream  
Halloween...Halloween...
