King Diamond, More Than Pain

[Diamond/Diamond]

In the dark she was so beautiful and white Abigail was glowing like a diamond in the night [J:] "I love you Miriam

...Oh my God... my stomach ... That hurts... there it is again... oh what pain It's like someone's cutting me with a knife ...This is more than pain"

[A:] Ah ha ha, I put broken glass in your dinner dearIt's only getting worse from hereTime has come to say hello to fearNo more hiding from the sun, count the minutes as they runRun away with life itself"

[J:] "What's wrong with you Miriam? I'm hurting, please help me"

[A:] "Ah ha ha, NO NO, you're gonna die This is so much more than pain, feel the Devil's rain No more hiding from the sun, count the minutes as they run Run away with life itself"

[J:] "I can't believe you're doing this... to me ...My God... I'm bleeding through my mouth... ...What was that? ...Oh No"
