

# King Diamond, The Trial

La reymie:

&quot;jeanne dibasson, you stand accused before the burning court  
For practising witchcraft. do you confess? we have ways  
To make you talk. how do you plead? &quot;

Jeanne:

&quot;i never did any harm to anyone. I don't believe this.&quot;

La reymie:

&quot;lead the witch to the dungeon for the test...  
Bring out the glowing pins. do it now!&quot;

This is rotten to the core  
Jeanne is naked on the floor  
In the dungeon they want more

La reymie:

&quot;oh jeanne, you feel so good&quot;

La reymie is touching her body  
Wrangled fingers all over her

La reymie:

&quot;so this is how you make with the devil  
We're gonna get you, witchy woman  
We will never believe in you  
So you better repent your sins now&quot;

Sticking needles into her skin yeah

In the dungeon blood is everywhere  
Glowing needles, needles and pins yeah  
She's getting weaker, no more pain to feel

La reymie:

&quot;we will never believe in you  
So you better repent your sins now&quot;

&quot;we are the servants of god, we believe in the devil  
And we've found his mark on you, confess witch&quot;

&quot;thou shalt not suffer a witch to live  
Who soever lieth with a beast shall surely be put the death&quot;

Jeanne:

&quot;never did I lie with any beast of thine  
Dogs, or cats or goats, now leave my soul alone&quot;

La reymie:

&quot;he that sacrificeth unto any God save the lord only  
He shall be utterly destroyed&quot;

Jeanne:

&quot;now I hear, deceiving, lying tongues  
Never have I done no harm to anyone&quot;

But they did not turn her loose  
Horns and tails and cloven hoof  
Can you tell me where's the proof
