

King's X, I Don't Know

I can see it's not the ending
maybe it's my new beginning
'cause i don't know what i was saying
i don't know
who is looking in my mirror
thought he knew things so much clearer
but i don't know what i was saying
i don't know
please forgive me if i ever said to you
anything pretending that
i knew what you should do
'cause i don't know what i was saying
i don't know me anymore
did i say you need forgiveness
tell me that it's not my business
'cause i don't know what i was saying
i don't know
yeah i know it's not the ending
feels just like a new beginning
'cause i don't know what i was saying
i don't know
