

King's X, What Is This?

oh lord it gets so complicated
oh lord i don't know what to do
god! it looks so hopeless
but i know it isn't true
what is this that gives me hope in the middle of the night and makes me turn to you
what is this that lights my way through the hours of the day
tell me what to do
oh lord they say that i don't know you
oh lord they say i am deceived
god! it looks so hopeless but i know it isn't true
