

Kinga Turley, What's goin' on

1.

The start was unnormal like all my life
At First got out my sister cause we are twins
When I grew up I spoke loudly my mind
Cause I'm the diamond that ain't been found
Cause I'm like rock that ain't calmed down
Cause I'm other than people who are around
I don't know what is goin' on
Around me there's a drinkin' boat
The mad girl almost in my age
They wanna fuck witch every man

2.

Somewhen I believed God's protectin' me
He gave me my style, life, it all for me
But when I was talkin' to him, he's never said back
So I turned over, I wanna forget
I'm thinkin' about I won't be dead
I'm thinkin' about I won't turn back
I don't know what is goin' on
Around me there's a drinkin' boat
The mad girl almost in my age
They wanna fuck witch every man

3.

The end will be disaster like end of the world
Death gotta be easy cause life is hard
I don't know do you know it's fuckin' talk
But I know onething, notking will destoy melt hasn't the way to break me down
I won't cry
when I'll fly
So high
to sky
Forever time
I don't know what is goin' on
Around me there's a drinkin' boat
The mad girl almost in my age
They wanna fuck witch every man
