

Kingdom Come, And I Love

I give her all my love, Thats all I do
And if you saw my love, You'd love her too
And I love her
She gives me ev'rything, And tenderly
The kiss my lover brings, She brings to me
And I love her

A love like ours could never die
As long as I have you near me

Bright are the stars that shine, Dark is the sky
I know this love of mine, Will never die
And I love her

Bright are the stars that shine, Dark is the sky
I know this love of mine Will never die
And I love her
