

# Kingdom Come, What Love Can Be

Come to me now  
I want to be your best friend for all the time  
I want to be the tissue for your tears  
I never want to be alone  
I never, never, never really thought that I could feel  
A feeling that awakened me so  
I was astray not knowing where I belonged  
Living out of time, living out of time

[Chorus:]  
Now that you've come and set me free  
Now that I know, what love can be  
All that I want is you with me  
That's all I want

You allow me to be, what I wanna be  
Thanks for helping me  
I'm gonna be, I feel like a brightly shining star  
For only you to see

Hold me tight, hold me tight  
I won't let you go  
Hold me now, hold me now  
Give me all your love

All that I want  
Is for you to be with me...
