

Kings Of Leon, True Love Way

I want in like a substitute,
I've been working awful hard for you,
But you don't say, you just hold your breath,
So I can't touch what I haven't yet.

She's a cold one and it hurts me so,
It's a dark path and a heck of a toll,
And she could feel me, just like she did before.

We'd be so free - Happy alone,
Sharin' a smile, so far from home.

Pushing and pulling weight, it's the hard part but the True Love Way,
Girl, you're wanted, like a wanted man,
With your smart mouth and your killer hand.

We could both share, all that I have made
For a young man it's a heck of a wage,
And I feel crazy when I see your face.

We'd be so free - Happy alone.
Sharing a smile, so far from home.

And we would laugh, laugh 'til we cried,
Making up songs, you're making me lie.

And people say our babies are walkin' this town
And people say our babies are walkin' this town
And people say our babies they're just wanderin' around,
And people say our babies they're walking...

We'd be so free, - Happy alone,
Sharing a smile, so far from home.

And we would laugh, laugh 'til we cried,
Makin' up songs, you're making me lie.
Happy alone.
