## Kingston Trio, Let's get together

| Love's is but the | e song we sing an | d fear's the way | we die. You car | n make the mour | ntains ring or mak |
|-------------------|-------------------|------------------|-----------------|-----------------|--------------------|
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
|                   |                   |                  |                 |                 |                    |
